- Maintenance of aids to navigation, including offshore stations and buoys and support for charter operations.
- Mooring operations and watch keeping when the ship is in port at anchor or at underway.
- Operating deck machinery including cranes, winches and workboats.
- Cost effective/efficient use of resources and continuous monitoring of deck conditions.
- Ensure deck and accommodation are maintained clean and tidy as directed by the Deck Supervisor.
- Assisting other crew members with general maintenance tasks.
- Taking part in fire-fighting exercises and drills and capable of being part of the fire-fighting team if required. Including donning fire suit and breathing apparatus.
- Performing tasks as per the Safety Management System (SMS).
- Safety Awareness: Being aware of conditions and circumstances affecting safety on-board.
- Delivering on objectives agreed in the Annual Performance and Development System (PADS).

Qualifications*, Skills and Experience

- STCW 11/5 Able seafarers Certificate of Competency (Deck)
- Personal Safety and Social Responsibility Certificate.
- Basic Fire Fighting Certificate.
- Personal Survival Techniques Certificate
- Elementary First Aid Certificate.
- Navigation Watch Ratings Certificate (Deck).
- Certificate of Proficiency in Survival Craft and Rescue Boats.
- Security Awareness Certificate.
- Valid Seafarers Medical Certificate.
- Previous experience on specialised vessels such as aids to navigation, offshore anchor handling or naval vessels will be an advantage

About Irish Lights

The mission of Irish Lights is Safe Navigation at Sea. We are a maritime organisation delivering essential 24/7 safety and navigation services around the coast of Ireland, 365 days a year. Our vision is to protect lives, property, trade and the environment by delivering next generation maritime services at the interface of navigation technology, engineering and data management.

Irish Lights is responsible for Maritime Aids to Navigation under the Safety of Life at Sea (SOLAS) Convention. This remit includes the provision and maintenance of over 330 general aids to navigation, the superintendence of approx. 3,300 local aids to navigation, and marking or removing dangerous wrecks outside harbour areas around Ireland.

Irish Lights also provides a range of navigation and contract commercial services including ship charter, buoy and maritime data. We provide value added services to support the development of the broader maritime economy including Met and Coastal Data Services. The Irish Lights tourism and heritage initiative, the 'Great Lighthouses of Ireland' was developed in partnership with local communities and offers visitors from home and abroad the chance to visit or stay in a working lighthouse. See our website www.irishlights.ie for further details.

Mission Statement

Safe Navigation at Sea: To be a leading and innovative provider of reliable, efficient and cost effective navigation and maritime services for the safety of all.

Values

Irish Lights strategy will be delivered by holding true to the values of the organisation. Our Values set the foundation for our interactions with our stakeholders, customers, suppliers and the community. These values, which are the cornerstone for the success of the organisation, are as follows:

- Professionalism
- Respect
- Trust
- Quality
- Innovation
- Collaboration
